To Whom It May Concern:

Please be advised that the Pisco polyurethane tubing, p/n UB 1/4-20-B, that you currently use in your applications allows for a maximum operation pressure up to 125 psi at 75 degrees Fahrenheit.

PISCO warrants that each product manufactured by it is free from any defect in material and workmanship for ten (10) months from the date of sale.

PISCO is not liable for consequential or other damages including, but not limited to personal injury, damage, loss, or any other expense directly or indirectly arising from the use of, or inability to use, its products either separately or in combination with other products.

All other warranties expressed or implied, whether oral or written, including but not limited to warranties for fitness or merchantability for a particular purpose are expressly excluded.

This warranty is limited to replacement of the product. All products presumed to be defective must be returned by prepaid transportation to PISCO together with information describing the product's performance. All returns require prior authorization by PISCO. This warranty shall not apply to any product which has been subject to misuse, misapplication, improper installation or tampering in a way so as to affect its normal performance.

Should you have any questions regarding this, or any other PISCO products, please do not hesitate to contact us.

Best regards,

Florencio Ramos
